

# Nick and Me-Wee Rosetta Santo Domingo Pueblo

---

Nick and Me-Wee Rosetta are both from Santo Domingo Pueblo. The two of them have a hand in making Liquid silver and gold necklaces. Since Nick and his wife just recently got married they are now able to sign their own work. Their hallmark is NMR which are the first initial of their names and last name.

The most distinguishing feature of Nicks family was the creation of what is now called, Liquid Silver jewelry. Our liquid silver and gold is hand drawn and hand cut.

All of his necklaces are of the finest material and all natural stones and silver. The materials used are: jade, jet, melon shell, pipestone, serpentine, turquoise and silver beads are all part of his beautiful work.
